

# Relationships & Disability

Kentucky National Core Indicators

Many factors contribute to having a meaningful life. Some people find fulfillment in work; others find it in community involvement; still others find it in spiritual pursuits. Whatever the source, a fulfilling, meaningful life involves interacting with other people. Barriers often exist for people with disabilities who want to develop and grow relationships.

Kentucky National  
Core Indicators

Community Quality collaborates with the Kentucky Division of Developmental and Intellectual Disabilities on activities that promote success for Kentuckians with disabilities. Kentucky's National Core Indicators project seeks to develop and improve upon performance indicators of services for individuals with developmental disabilities.
